# Tolgahan Acar

Software Developer  
İstanbul

## Özet

I have 3-4 years of full-time I.T work experience in corporate companies. As a software developer, I did not work full time in a company, but I have 2-3 years of experience as a freelancer. I work with a back-end focus, but I do not hesitate to work full-stack.

### Technologies I Use

Nodejs / Expressjs, PHP / Laravel, Javascript / Reactjs / JQuery / ES6, SQL / NoSQL, CSS / Tailwindcss/ Bootstrap, Python / Django, SEO

- Clean Code
- Design Pattern
