## WORK EXPERIENCES

### Software Development Engineer Schneider Electric

05/2019 - Present

Kocaeli, Turkey

#### My Tasks

- We developed a C# .net MVC project with my team mate, named Digital Forms to reduce the paper work at several departments. It has a workflow according to their processes. I was mostly responsible for the frontend and database management & design.
- User Acceptance Test(UAT) coordination for the outsource projects.

### Intern Software Developer Ziraat Technology Banking Solutions

08/2018 - 09/2018

Istanbul, Turkey

Ziraat Technology is a banking solution company for Ziraat Bank which is a very rooted bank in Turkey.

#### My Tasks

- Created a phone-call record desktop application for the company's need by using C# windows form application and Oracle Database - fullstack. Worked both as a team and individual.

## EDUCATION

### Mathematical Engineering Yildiz Technical University

09/2013 - 02/2019

Istanbul, Turkey

#### My Courses

- Algorithm and Data Structures, C++ , Optimization Techniques, Operations Research, Algebra, Data Mining and so on.
- English Language School at the first year. Completed with degree 85/100

### Erasmus + , Informatik Beuth Hochschule für Technik Berlin

09/2017 - 02/2018
