

AHMET ATA

E: ahmetbil40@gmail.com

P: 542 321 5070

A: Istanbul, 34 34433

| SUMMARY

Basic motivation is user satisfaction and always want to learn . I would like to find the best solution if there is a more accurate solution, I also enjoy applying the this solution .

Easy-to-development code that is important to me and little memory and a fast algorithm

| WORK HISTORY

Subgen - Android Application Developer

Istanbul, Levent • 04/2019 - Current

- Built outstanding and dynamic team of software engineers and developers which significantly boosted overall success of organization.
