During the period in which I joined the University of the People, I was forced to find a job and because of the pressure, I could not reconcile studying and working together.

AL-ZAHRAA UNIVERSITY
UNFINISHED

FACULTY OF INFORMATICS ENGINEERING
The main reason for leaving Al-Zahra University was the unprofessional curriculum that was far from the major I wanted, as we were forced to study subjects related to Islam and Islamic jurisprudence by up to 60%, and the specialized subjects were very few and did not meet what I wanted.
