Sezer YARDIM

Location: Istanbul / Turkey

E-Mail: s.y.sezeryardim@hotmail.com

About Me

I tried digital marketing before for a year so i have a general knowledge of SEO. Developed web scraping and web automation applications with Puppeteer. React projects for my personal interests and fun (e.g. An application to read and write excel documents on browsers etc). Responsible of writing maintainable, understandable, reusable and cross browser compatible code.
